

The first three sessions will be held in Buffalo at the New York State Armory, located at 184 Connecticut Street, from 2:00 P.M. to 8:00 P.M. on Thursday, January 28 and Friday, January 29, and from 10:00 A.M. to 4:00 P.M. on Saturday, January 30, 2010.

The second round of meetings will be held at the Peace Bridge Authority Board Room, 100 Queen Street, Fort Erie, Ontario. Canada's sessions will be held from 2:00 P.M. to 8:00 P.M. on Thursday, February 4 and Friday, February 5, and from 10:00 A.M. to 4:00 P.M. on Saturday, February 6, 2010.

The PBA and NYSDOT are in the final stages of developing the environmental impact statement for the project. Public comments collected during those sessions will be incorporated into the project record and the decision on which bridge design concept to advance in the Final Environmental Impact Statement will take into consideration all comments received. The decision will be issued later this year.

For more information on these meetings or for special accommodation to attend, please call the Peace Bridge Authority office at 716-884-6744 or look online via www.peacebridgex.com

The Peace Bridge, which was opened to traffic in 1927, has been owned and operated by the PBA since 1933. The Authority is governed by a 10-member board with an equal number of representatives from Canada and the United States. NYSDOT is the lead state agency for this project and is working co-operatively with the PBA in advancing this project.
